

PPA Flood relief Activities Update .

Today at 9 am a meeting of PPA EC members & President,GS and Treasurers of all Branches was held.

It was concluded that PPA will work for flood and Rain Relief with full dedication.

Although we not have much financial resources for this large scale disaster so we will concentrate on Medical relief of children mainly .

Our activities will be targeted to health promotion and disease prevention and curative services.

Those living nearby affected areas will go to field work while resources will be generated by other members so every member will participate in best possible way.

Funds will be generated by PPA members by own contributions and motivating our social circle.

Wherever possible, PPA will work in liaison of Health Authorities, UNICEF and WHO etc as it will give facilitation to us in terms of security and administration.

Branches will practically do the work via their chapters

Regards.

Dr Khalid Shafi

Secretary General
